

# Time for new health coverage? We know a great place to start.

Your health care needs don't stop. So when the time comes to look for new coverage, it's good to know you can turn to one place to find the individual plan options that may be right for you.

UnitedHealthcare makes it that simple. With one phone call, you can connect with a licensed insurance agent and take the first step toward finding quality, budget-friendly coverage.<sup>1</sup>

## Individual coverage options to fit your needs.

With individual coverage options, you may be able to choose from Affordable Care Act (ACA) Exchange plans or short term plans, including renewable plans (up to 36 months).<sup>2</sup> Medicare plans for those over the age of 65 also are available. And, depending on your income level, you and/or your children may qualify for coverage through a state-administered Medicaid program.

### Lower Premiums

In many cases, ACA and short term plans have premiums that are substantially lower than those available through COBRA.

### Next-day Coverage<sup>3</sup>

Get the security of coverage fast, right when you need it. Apply today for coverage tomorrow in many cases with short term plans.

### Convenient Access

ACA and short term plans may offer access to the doctors and hospitals you already rely on.

## And it all starts with personalized guidance.

<sup>1</sup> Health coverage options are provided through individual insurance policies purchased directly from UnitedHealthcare carriers or ACA plans purchased from other carriers. These options are voluntary and **not provided** through your employer, and your employer **does not contribute toward the cost** of this coverage.

<sup>2</sup> Short Term Limited Duration Insurance does not cover pre-existing conditions. It is not minimum essential coverage as defined by the Affordable Care Act. Signing up for this coverage may result in a tax penalty in some states. These plans are not guaranteed renewable.
